## Assata High School

Street Address	2023 West Wisconsin Avenue Milwaukee, WI 53233	Contact Name	Carlotta Pritchett
Mailing Address	2023 West Wisconsin Avenue Milwaukee, WI 53233	Phone	(414)345-6113
Profile	Assata High School, in partnership with the Division of Diversified Community Schools of Milwaukee Public Schools, provides an Afro-centric curriculum to 125 urban at-risk students.		

The Mission of Assata is a holistic, student-centered program for at-risk students as defined by Wisconsin State Statute 11.15 Children At Risk. The Assata approach implements strategies that empower students through self-esteem, self-reliance, and increased knowledge and an appreciation for African-American culture and its relevance in today's society. The Assata's educational component is designed to integrate historic contributions and experiences of African-Americans into the daily curriculum as a means to expand both subject and content knowledge needed to overcome credit deficiencies.

### Math Teacher

Date Posted 02/20/10  
Description Job Description

Full-Time Math - This position entails teaching at-risk urban youth in grades 9-12. We are seeking a strong, compassionate classroom leader who is willing to and dedicated to educating today's urban youth while providing an interesting, challenging curriculum to students functioning at various academic levels within the same classroom. The candidate for this position must also be flexible working in a small school setting while providing hands-on learning experiences on a continual basis.

The candidate must be willing to put forth extra effort in order to improve classroom strategies and willing to work some Saturdays for professional development, etc.

#### Job Qualifications

Prior teaching experience is preferred but not required; however, the candidate must have strong classroom management skills in order to provide adequate leadership with the students. This instructor must also have strong intercommunication skills in order to deliver an effective curriculum at various levels within a class period.

#### Requirements

## Elementary Classroom Teachers with Math Experience

Date Posted	05/13/10
Description	<p>The Business and Economics Academy (BEAM) located in Milwaukee, WI has grown to include Pre-K-8 grades. It is a tuition free, public Charter School operated by its Board of Directors. BEAM is the first school of its kind in Milwaukee, where, in addition to the traditional curriculum, the school specializes in teaching its students and parents and guardians how to become financially accountable and successful. BEAM features an innovative business and economics curriculum. The school focuses on themes relating to personal finance, entrepreneurship and the basics of a market economy. Students learn skills such as basic banking, personal budgeting, and problem solving. After school activities include the Millionaire's Club and a student-run school business.</p> <p>The teacher will be responsible for communicating knowledge to students in an interesting, stimulating, and effective manner. He or she will use a variety of instructional methodologies and curriculum resources to present material to students. The teacher will work as a team member, sharing common planning, professional development, curriculum design, and teaching responsibilities. Teachers will administer different forms of student assessments, communicate with parents and other team members about student progress, and plan for further instruction. They will be reflective about their own practice and act as a coach for their team members when necessary. Teachers will work to integrate technology into their teaching and professional activities.</p> <p>Competitive salary package with participation in the district retirement program, a laptop computer, extensive professional development, academic intervention strategies and support, a clean and safe building, and the opportunity to work with other like-minded individuals who are strongly committed to making the difference for student achievement.</p>

# Education Job Postings from www.wisconsin.gov

---

**Profile**

The School District of Monroe is a K-12 student-centered school system dedicated to providing each child with a broad array of academic and cocurricular programs that will prepare him or her to succeed academically, technologically, physically and socially.

The district serves more than 2,677 elementary, middle and high school students. Classroom sizes average 20 students per teacher. A teaching staff of 271 and 196 administrative and support personnel are dedicated to creating a climate of high expectations for all students and ensuring academic excellence in all subject areas. The underlying goal of every class is to provide each student with the opportunity to achieve his or her potential through a superior education, continually preparing them for the next step in their academic lives.

Our curriculum is broad-based, reflecting an interest in the academic, social, emotional, artistic and physical development of each student. The district views education as an experience best served by the coordinated efforts of parents and schools.

The School District of Monroe encompasses three elementary schools, one middle school, one high school, an alternative charter school serving grades 9-12, and an independent virtual charter school. Included within these schools are a state-of-the-art performing arts center, an auditorium, a greenhouse, seven gymnasiums, a 400-meter eight-lane track, a football field, tennis courts, a baseball field, and several playgrounds. THE SCHOOL DISTRICT OF MONROE IS AN EQUAL OPPORTUNITY EMPLOYER.

## **School District of Phillips**

<b>Street Address</b>	County Highway W Phillips, WI 54555	<b>Contact Name</b>	Wally Leipart
<b>Mailing Address</b>	PO Box 70 Phillips, WI 54555	<b>Phone</b>	(715)339-2419 x2001
		<b>Email</b>	wleipart@phillips.k12.wi.us

# Education Job Postings from [www.wisconsin.gov](http://www.wisconsin.gov)

**Profile** The School District of Phillips is located in Price County, one of Northern Wisconsin's most popular recreation counties. Woods and water combine to make it an attractive area both for residents and visitors. The School District of Phillips consists of three buildings: Phillips High School, Phillips Middle School, and Phillips Elementary, with a total District population of 867 students. The District serves an area of 585 square miles with a population of approximately 7,000 residents.

Our Vision: Preparing for Tomorrow

Our Mission: To inspire and empower all students to reach their greatest potential.

Our Goals and Objectives:

- Review and assess educational opportunities annually throughout the District that enables each student to achieve their greatest academic and social growth.
- Develop annual objectives and plans that will promote safety and security.
- To create added awareness of the District by implementing or expanding communication strategies that involve family and community members throughout the district.

## 60% High School Mathematics Instructor

**Date Posted** 05/18/10

**Description** The School District of Phillips is seeking to hire a certified, 60% high school mathematics instructor. The successful candidate will become part of an outstanding northern Wisconsin school district and a member of a dynamic department comprised of two other highly successful educators.

**How To Apply** Interested applicants should send a letter of interest, resume, college transcripts, letters of reference, proof of licensure, and a completed District application form to:

Colin Hoogland, Principal  
Phillips High School  
PO Box 70  
Phillips, WI 54555

District applications are available on the school's website ([philips.k12.wi.us](http://philips.k12.wi.us)) or by calling 715-339-2419, ext. 2008.

**Requirements**

**Qualifications** Wisconsin License 73/400, 27/400, or 29/400

## School District of Rhinelander

**Requirements** Math WI DPI LICENSE #400 Required  
Charter School Teacher WI DPI LICENSE #951 Preferred

# Education Job Postings from www.wisconsin.gov

## Qualifications

Qualifications Include the Ability, Desire and Passion to:

- Promote and facilitate a generative math curriculum that has strong emphasis on science and is aligned with a standards-based Scope and Sequence
- Subscribe to a constructivist philosophy by facilitating an interactive, reflective learning process within a diverse, multi-age advisory
- Incorporate reading and writing strategies into content areas
- Structure the day to incorporate advisory circles and sustained silent reading (SSR)
- Create and sustain a positive learning culture by developing, modeling and nurturing supportive relationships with students, parents, and colleagues
- Collaborate with colleagues to maintain an autonomous, self-governing environment
- Provide diverse opportunities for learning through projects, collaboration with content experts, and exploration of online resources
- Facilitate learning, creativity, and innovation by solving authentic problems in alternative settings, with a strong emphasis on community connections
- Collaborate with colleagues and students to facilitate 21st Century Skill development
- Provide an overall framework for learning that celebrates success and unites the school community

## School District of Wauzeka-Steuben

Street Address	301 E Main Street Wauzeka, WI 53826-9671	Contact Name	John Luster
Mailing Address	301 E Main Street Wauzeka, WI 53826-9671	Phone	(608)875-5311 x214
		Email	lustejoh@wauzeka.k12.wi.us
Profile	The Wauzeka-Steuben School facility is located in Wauzeka, Wisconsin, a village of 750 people set in lovely SW Wisconsin close to the Wisconsin, Kickapoo, and Mississippi Rivers. The District's elementary school - Pk-5, middle school (6-8), and high school (9-12) are located in the same building complex and the District has an enrollment of 350 students. The village has a grocery store, post office, bank, various repair shops, and several other businesses. Many families continue their farming traditions in the rural areas. Tourists flock to the vicinity for the beautiful scenery as well as the ample opportunities to see the rivers teeming with fish, eagles soaring overhead, deer grazing in cornfields, and many other forms of wildlife enjoying their natural habitats. For those who need more, Prairie du Chien and Boscobel are each about 20 minutes away and LaCrosse and Madison are only about an hour and a half away. If you're looking for a great place to live and work, this is it.		

The School District of Wauzeka-Steuben is an equal opportunity employer and does not discriminate against applicants on the basis of race, creed, gender, national origin, handicap, age, or political affiliation.
